

ODETTE CECILIA CHAMBALA

PROFILE

I am a dynamic and entrepreneurial 23-year-old with a diverse background in social media management, retail, and business ownership. I thrive in multifaceted roles—from marketing and customer care to event planning and activism. As the founder of *Earth, Hand and Fibre*, a crochet-based organization promoting creative skills and community engagement, I bring a unique blend of innovation, leadership, and social impact. My experience spans retail, entrepreneurship, and NGO work, and I am driven by a passion for making a meaningful difference. I'm open-minded, adaptable, and eager to take on new challenges across various industries.
